

Creative Packaging (South Wales) Ltd. Environmental Policy Statement

Creative Packaging (South Wales) Ltd carries out cardboard packaging design and manufacture. The Company is based on Brynmenyn Industrial Estate, to the north of Bridgend, South Wales. We design packaging for a range of clients and packaging is cut, folded and glued on site.

Creative Packaging understands that its operations have an impact on the local and global environment and is committed to the continual environmental improvement of its activities.

Creative Packaging will:

- Be committed to compliance with all environmental legislation that applies to it. We will keep up to date with new and changes to environmental legislation through contact with Groundwork Bridgend and Neath Port Talbot.
- Prevent pollution by recycling as much waste as possible to reduce the amount being disposed of to landfill, a source of pollution. And also where ever possible using recycled materials. In addition any potentially polluting materials will be stored in such a way as to minimise the risk of the pollution.
- Continually improve our environmental performance by working towards targets on the Environmental Improvement Plan that is reviewed at least annually.
- Make all staff aware of this Environmental Policy, and ensure that they have sufficient awareness and training of environmental matters that affect their job.
- Display this policy on site where it can be seen by employees and visitors, and also publish on our website, so that it is available to any interested parties.
- Review this Policy at least annually and amend should the specific need arise.
